

Bourgogne aligoté

Domaine Sylvain Dussort

White Wine - Aligoté

SOIL TYPE: This wine, sourced from plots located in and around the village of Meursault, is produced from clayey and gravelly soils.

PLANTING YEAR(S): The vines are of very different ages, ranging from 35 years to over 80 years.

HARVESTING METHOD:

The grapes are hand-harvested.

VINIFICATION:

Aged on lees, in tanks to preserve all the fruit, and bottled between 12 and 14 months.
