Bourgogne

Domaine Philippe Colin

Red Wine - Pinot noir

Village: Santenay
Surface Area: 38a 66ca
Average Age of Vines: 35 years
Exposure/Soil: The presence of different faults and types of limestone soils justifies the presence of Pinot Noir, leading to an increasingly important production of red wines in certain sectors. The Bourgogne Pinot Noir comes from plots located in the village of Santenay (Vaux Dessous).
Vinification/Ageing: 100% destemming, cold pre-fermentation maceration, ageing in 500-liter barrels (no new barrels).
Production: 2,900 bottles.
