

Mâcon-Milly-Lamartine

Domaine Maurice Lapalus & Fils

White Wine - Chardonnay

CULTURAL PRACTICES:

Certified HVE (High Environmental Value) since 2015. This HVE label is recognition of our work, where environmental respect has long been at the heart of our expertise. We strive to produce better while respecting natural balances.

TERROIR:

Our Mâcon Milly Lamartine is produced on clay-limestone soils. It is the ideal terrain for the best expression of Chardonnay.

VINIFICATION:

Harvested from 5 hectares, our Mâcon Milly Lamartine benefits from careful vinification. The grapes are whole when they enter our pneumatic press. Temperatures are carefully controlled throughout the vinification process. The ageing on fine lees takes place in tanks. The wine is bottled in the spring. Our goal is to obtain light, floral, and highly aromatic wines in the mouth. This Mâcon Milly Lamartine is an easy-drinking wine that will provide immediate pleasure.
