

DOMAINE DU GRANIT

CHENAS CUVÉE PRESTIGE

Domaine du Granit has been in existence since 1924, but the family already had winemakers working in the fields since 1918.

With the 4th generation of winemakers on this domain, they are making the best wine possible with modern techniques that are associated with old vinification methods passed down from parents and grandparents. The goal is to maintain the quality and typicality of Moulin à Vent, Fleurie, Chenas, and Saint Amour that is worthy of reputation for these great wines.

Appellation

AOC Chenas

Region

Beaujolais

Varietals

Yield

30hl/hectare

Hand Harvested

Yes

Vinification

Fermentation in concrete tanks 12 days
50% used to age in cement tanks
Aging: 13 months in oak barrels

Additional Information

This wine has a warm bouquet of vanilla, dried fruit, and toast along with raspberry and griotte mushroom. Ample on the palate, this wine shows the unctuous character of the warm vintage. This wine is harmonized by the strength and finesse of the tannins that come from old vines.
